Dear Colleague,

Thank you for your interest in the position of Cross Trust Lead Practitioner within the Great Schools Trust family of Schools. The position will be within the Executive Team of the trust. The Great Schools Trust is an education charity that has a proven track record of successful school start up and improvement whilst transforming the lives of children and young people through our unique values driven approach to education.

As a current or aspiring Lead Practitioner, you will have a track record of improving performance, driving change and raising standards and aspirations for a school community. You will need the tenacity and integrity to deliver in challenging circumstances and the ability to communicate the Great Schools vision in a manner that inspires, motivates and enthuses staff, students and the community as a whole. Previous experience of managing change and working collaboratively to deliver outstanding results in a new/start up school and/or multiple school sites will be highly advantageous.

You will be joining a values driven, highly innovative, inspirational and ambitious organisation, so we are seeking an outstanding candidate who can realise the highest possible quality of services to support our educational vision, strong leadership and effective support to colleagues, to enable the trust to achieve the best possible outcomes for students.

This is an exciting and very rewarding role and we look forward to receiving your application.

Yours faithfully

*Sir Iain*
